

Lake County Theatre Company

presents

★ 9 to 5: The Musical ★

This musical is based on the 1980's movie written by Patricia Resnick featuring music and lyrics by Dolly Parton. The show features the working lives of Violet, Judy, and Doralee. They all work for Franklin Hart who is their sexist and arrogant boss.

We invite you to join us in bringing this fabulous show to our Lake County community. As a sponsor, companies and individuals are featured in the musical's program. Our musicals in previous years have reached over 1500 audience members. This year's musical promises an even bigger turnout with the potential to reach over 2000 people!
